

## How It Works

Payday Land Cash Advance makes the lending process as quick and easy as possible. Please follow these easy steps:

- Complete the online application form. Payday Land will then find the payday loan company that best suits your cash advance needs.
- A message will appear stating whether your application has been pre-approved by the appropriate loaning company.
- Check your email for further instructions.
- Once approved, your payday loan is directly deposited into your account overnight.
